

Job Vacancy

PHP Developer - Banbury, Oxfordshire

PHP, HTML, CSS, Javascript, MySQL

We are looking for a PHP developer to join our friendly, young in-house development team. You will be working on our front end website (www.omlet.co.uk), back office systems and servers.

Essential Skills Required:

- A good working knowledge of PHP5 is essential. You might have this experience working as a PHP developer, or have learnt PHP at University or working on your own projects.
- Good working knowledge of SQL
- Javascript, CSS, HTML, JSON
- A keen eye for detail and enthusiasm to learn new technologies.

The following experience is desirable but not essential:

- Experience with Linux Server administration (apache or nginx)
- Knowledge of an MVC framework

Omlet offers good support and the stability of an established and successful company with the opportunity to contribute to exciting new projects.

For more information and to talk through the role please call James on **01295750094 / 07917571006**. You can also send your CV to **james@omlet.co.uk**.

Omlet Ltd, Tuthill Park, Wardington, Oxfordshire, OX17 1RR
