Design a Fun Shade!

To enter the competition all you need to do is print the second page out and draw your design on.

Your design can be any shape, colour or pattern that you like but it must fit inside the black border and we may have to edit the design for the purposes of printing.

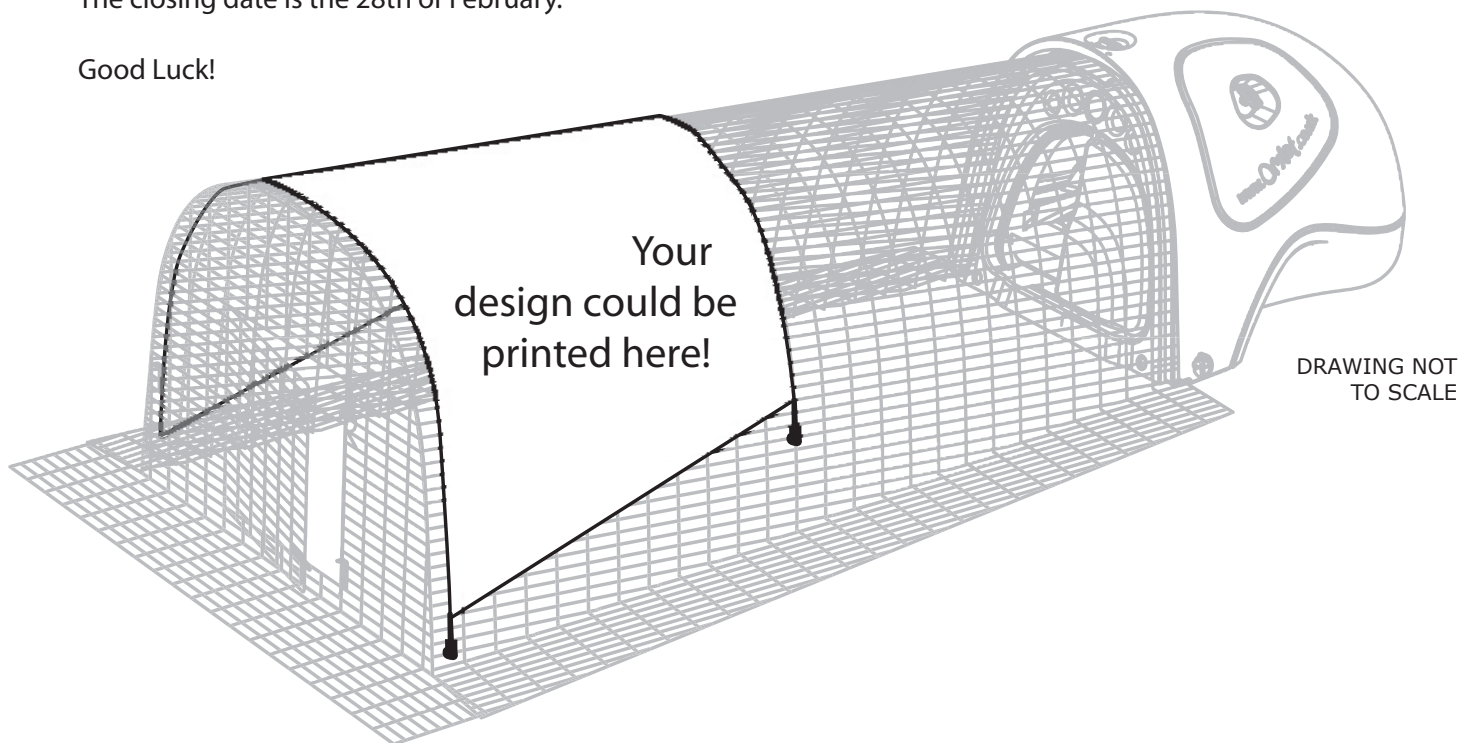

If you prefer to create your image digitally then you can use any graphics software you like.

You can send your design by post to the address above. If you have created your image digitally then you can email it to stephanie@omlet.co.uk. Please save a low resolution version of the image (less than 1mb) for emailing and keep the original. If your design is selected we will need the high resolution image (300dpi) for printing.

The winner will receive a £50 Good Egg voucher to spend on whatever they like in the Omlet shop and may have their design put into production!

The closing date is the 28th of February.

Good Luck!

Please use drawing on the next page for your design.
