Zorg er steeds voor dat uw dieren voldoende voedsel en water hebben. Zonder voeding en water gaan ze dood.

Houd toezicht als uw kinderen de Eglu Go Hutch gebruiken.

Was uw handen grondig als u met de Eglu Go Hutch, de konijnen of cavia's in contact bent geweest.

Let er op dat zowel de ren als het hok goed zijn afgesloten. Alleen zo houdt u uw huisdieren veilig voor roofdieren.

Controleer regelmatig of de ondervloer nog heel is, om te voorkomen dat uw huisdieren zich hier aan bezeren.

Zorg er voor dat uw dieren altijd toegang hebben tot de ren.

Niet zitten of klimmen op de ren. Dit is niet alleen gevaarlijk, maar kan de ren ook beschadigen.

Laat kinderen niet in de ren van de Eglu Go Hutch. Ze kunnen immers vast komen te zitten.

Laat de deur van de ren 's nachts niet open. Uw dieren zijn zo immers niet veilig voor roofdieren.

Zet de Eglu Go Hutch niet op ongelijk terrein aangezien de ren dan niet goed aansluit.

Gebruik geen bleek, oplosmiddelen of agressieve schoonmaakmiddelen, aangezien dit het plastic aan kan tasten.

Houd de Eglu Go Hutch ver van hittebronnen zoals een kampvuur of barbecue, omdat het hok anders vlam zou kunnen vatten.

Gebruik de Eglu Go Hutch alleen voor het houden van konijnen of cavia's. Het is niet ontworpen voor andere doeleinden.
