

BOLSTER BED

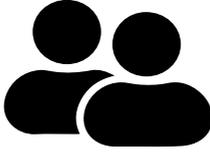

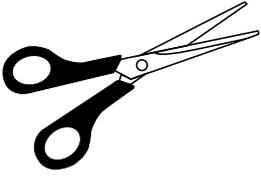

Omlet

EN Important Information! Please read before use

Please follow the assembly instructions to make sure the product works as intended. **The inserts will need up to 48 hours** to fully inflate when you unpack it, but your pet can start to use it straight away. Please do not place the nest bed close to any sources of fire or heat. See the full range of bed covers and accessories for your dog or cat on the Omlet website.

You will need...
